MAKES STRONG NERVES.

Headaches, Nervousness, Sleeplessness, Have
Never Troubled Rev. A. L. Brantley Since Taking
PAINE'S CELERY COMPOUND.

The prompt, effective, and honest results that are always obtained by the users of Paine's Celery Compound, call forth the grateful and unstinted praise of clergymen of all denominations. In every parish and district of our land, clergymen are quietly but surely spreading the joyful intelligence that Paine's Celery Compound banishes ill health and makes sick people well. Like men and women in other professions and in the ordinary callings of life, church ministers are victims of the same ailments and diseases. When oppressed by sufferings and agonies, it is cheering to note that our clergymen have implicit confidence and faith in Dr. Phelps' life-giving prescription,

Paine's Celery Compound. Rev. A. L. Brantley, Summertown, Ga., tells how he was raised from a condition of suffering and great danger:—

"Before using Paine's Celery Compound I was continually suffering with sick and nervous headache, and it was a common occurrence for me to sleep little or none at night. Often have I awoke in the morning with a severe headache and inactive mind, prostrated with nervousness from the loss of sleep. Now I can sleep well at night, have an active mind, and can study ten hours a day, while before I could study but a short while at a time. I certainly feel grateful for such a medicine as Paine's Celery Compound."

NEW SCANDAL SHAKES FRANCE

Said That Carthusians Were Expelled Because They Refused To Pay.

Paris, May 14.—A widespread scandal is promised as a result of investigations into the charge of bribery in connection with the expulsion of French religious orders. The charge is brought against M. Edgar Combes, son of the president of the council.

It is made in a letter published in The Petit Dauphinois, of Grenoble, and reproduced in The Figaro over the signature of M. Joseph Besson in much the same style as the late M. Zola wrote his famous letter "J'Accuse."

M. Besson affirms that the Carthusians were expelled from France because they would not pay a bribe of \$200,000 with which the expulsion law introduced by the premier was to have been circumvented. M. Besson further declares that the proposals for the payment of this sum were made on behalf of M. Edgar Combes, who was promised a commission of \$20,000 if he were successful in persuading the monks to pay the bribe. The offers were made by a M. Andre Verwoort.

AMERICANS STOP PLAY

Native Manila Actors Who Profane the Stars and Stripes Are Driven from the Stage.

Manila, May 15.—A party of Americans stormed the stage of the Libertad theater last night and stopped a seditious play. The piece, which is historical, has a climax in which the heroine throws the American flag to the ground and raises the standard of the Katipunan secret society. When this scene was reached a score of Americans sprang on the stage, routed the actors and smashed the furniture. The audience fled. Colonel Tolentino, a former insurgent, who wrote the play, probably will be prosecuted.

CHINESE ASK PRESIDENT FOR SCHOOL PRIVILEGES

They desire to Be Admitted on Equality With Other Nationalities.

San Francisco, Cal., May 14.—President Roosevelt has been asked to assist native born Chinese children of San Francisco to obtain an education in public schools. The complaint is made that the Chinese are confined in a special school and are insufficiently instructed. To improve this condition the President is requested to use his good offices with the State and city boards of education to have the Chinese children admitted to public schools on an equality with other nationalities.

A petition laying the matter before the President was presented to him today at Berkeley by Prof. Ide Wheeler of the University of California. It bore the names of 2000 Chinese.

GOT TWELVE CENTS FOR COTTON.

Charlotte, N. C., May 15.—A cotton mill man who was here today attending the meeting of the Cotton Spinners' Association, sold 1500 bales of cotton to a New Orleans firm. He got 12 cents a pound for the cotton. He furnished the 1500 bales out of the stock which he holds in his warehouses.
